

Travel to Australia requires transit through New Zealand. We invite you to consult and respect the conditions of the country of transit and destination. The most restrictive requirements will apply.

Travellers	Documents to be presented at check-in
All travellers regardless of vaccination status	<ul style="list-style-type: none">☑ Valid electronic or biometric passport and onward ticket. Refer to issuing country for information and destination country for required validity.☑ Use the Visa Finder tool to determine the type of visa needed to enter Australia. Example. For tourists staying for less than 3 months – French passport holders need an eVisitor visa, and USA passport holders need eTA visa. New Zealand passport holders do not need a visa.☑ Upon arrival in Australia complete the Incoming Passenger Card☑ Auckland Transit: Depending on passport either an NZeTA (Visa Waiver Country) or a Transit Visa is required. <i>Exception: New Zealand/Australian citizens do not need a visa.</i>
