

“MAEVA PLUSGRADE”

General Terms and Conditions

1. THE “MAEVA PLUSGRADE” PRODUCT

1.1. Description

Air Tahiti Nui offers an online auction solution “Maeva Plusgrade” which allows you to bid up to 6 hours before the flight, for an upgrade:

- From Moana Economy class to Moana Premium Economy class
- From Moana Premium Economy class to Poerava Business class
- From Moana Economy class to Poerava Business class.

Air Tahiti Nui is offering this product in partnership with PLUSGRADE.

If you win the bid for the upgrade, you will receive all the services associated with the higher class of travel in which you will be traveling.

Please note that when you win the bid, we cannot guarantee the assignment of the seat of your choice. And if your reservation has more than one passenger, we cannot guarantee to sit side by side. Your seat(s) will be assigned to you based on availability at the time of check-in.

1.2. Accepted currencies and payment methods

The currencies accepted for the auctions are: EUR, USD and XPF.

Payment cards accepted are Visa and Mastercard.

2. HOW THE OFFER WORKS

2.1. General Principles

After your ticket has been issued, if your flight is eligible, and if you and everyone in your booking file are eligible for the Maeva Plusgrade offer, you may bid for an upgrade from the email you receive or by visiting our website.

An offer submitted is per passenger and per flight segment, and its amount applies by default to all passengers in the same reservation file, whether they are adults, children or infants occupying a seat.

Any person who submits a bid on behalf of another passenger is deemed to have been authorized by the passenger(s) for whom the bid is made. Consequently, all passengers in the same reservation file are bound by these general terms and conditions.

Finally, an auction is nominative and non-transferable.

2.2. Rules of operation

The result of the auction will be communicated by email at the latest 5 hours before the flight departure. A submitted offer can be modified or cancelled at any time and without any amount being charged to your credit card, as long as the result of the auction has not been communicated by email.

If your bid is unsuccessful, no amount will be charged to your card and your reservation will remain unchanged.

If your bid is successful, your card will be charged for the amount indicated and your reservation record will be automatically updated without a new electronic ticket being sent to you.

7. FARES CONDITIONS

The fare conditions of the ticket you originally purchased remain valid and applicable, even when your bid for a higher class of travel has been accepted.
